The Benefit Assessment Act of 1982 authorizes your Board to impose the annual assessments by either resolution or ordinance. Pursuant to Article 13D, Section 5(a) of the California Constitution and Government Code Section 53753.5, the levy of these recommended annual assessments for the upcoming fiscal year is exempt from the requirement of a public hearing and the other procedures of Proposition 218 as no change in any of the assessments is being proposed that would prompt the Proposition 218 process.

The attached resolutions have been approved as to form by County Counsel.

#### **ENVIRONMENTAL DOCUMENTATION**

## **DRAINAGE BENEFIT ASSESSMENT AREA NO. 24**

### **1. Description of the Services**

The proposed services consist of the operation and maintenance of a drainage system comprised of 5,000 linear feet of subdrain and 21 monitoring/extraction wells with appurtenant pumping equipment constructed for Tract No. 31158 (Unit Tract Nos. 31158, 37801, 44966, 46268, 46269, and 46270). The benefiting parcels are within the unincorporated area of the County of Los Angeles known as Plum Canyon in the vicinity of the City of Santa Clarita.

Maintenance, operation, and improvement may include, but are not limited to:

- a. Periodic inspection and evaluation of the facilities
- b. Periodic cleaning of by flushing the system
- c. Monitoring and data recording of the sub-drain system
- d. Periodic pumping of the monitoring wells
- e. Repair of the drainage facility as needed
- f. Any other maintenance work needed to ensure the facilities operate properly

To account for the effects of inflation, the annual assessments for DBAA No. 24 are allowed to increase annually using the Los Angeles-Riverside-Orange County Consumer Price Index for all Urban Consumers without a public hearing and other procedures required under Proposition 218.

The estimated cost for Fiscal Year 2009-10 is \$69,500.

### **2. Description of Each Parcel**

DBAA No. 24 is comprised of 685 parcels of Tract No. 31158 (Unit Tract Nos. 31158, 37801, 44966, 46268, 46269, and 46270) recorded in Book 2812 of maps in the office of the Registrar-Recorder/County Clerk.

The area of benefit include Assessor's Parcel No. 2812 009 900. This publicly-owned parcel is the site of David March Park, which receive a special benefit from the provision of the proposed services.

### **3. Basis and Schedule of Benefits**

The proposed service will provide general benefits to the proposed assessment area and the public at large. General benefits are provided to all of the public streets within the DBAA No. 24 and account for 17.53 percent of the estimated cost. The general benefit share for Fiscal Year 2009-10 is \$12,200. Funding for the general benefit share will be provided by Special Road District 5 Fund Budgets.

## DRAINAGE BENEFIT ASSESSMENT AREA NO. 24

The proposed services specially benefit each parcel within DBAA No. 24. The special benefit proportionate share of the total estimated cost is 82.47 percent. The special benefit share for Fiscal Year 2009-10 is \$57,300. The basis of benefit per parcel was determined by the parcel size. Single-family residential lots will be assessed one benefit unit. The average single-family residential lot size is 9,001 square feet. The average condominium lot size is 2,226 square feet, which is 25 percent of the average single-family residential lot size. Therefore, each condominium unit will be assessed 0.25 benefit unit. All other lots will be assessed one benefit unit for every 9,001 square feet of lot size.

The proposed annual assessment rate of \$85.30 per Benefit Unit was determined in accordance with the following formula.

$$\text{Proposed Annual Assessment Rate} = \frac{\text{Annual Proposed Assessment Area Costs}}{\text{Sum Total of All Benefit Units}}$$

The annual assessment for each identified parcel was determined in accordance with the following formula.

$$\text{Annual Assessment for Parcel} = \text{Proposed Annual Assessment Rate} \times \text{Benefit Unit for Parcel}$$

The following list indicates the benefit units and the assessment amount for each parcel.
